BOOK ONE

TAXES AND DUTIES

I: DIRECT TAXES

CHAPTER I

COMPANY TAX

II – TAXABLE PROFITS

Section 7: Net taxable profit shall be established after deduction of all charges directly entailed by the exercise of activities subject to assessment in Cameroon, in particular:

A- Overhead Expenses

1. Sundry remuneration and provision of services

(d) Subject to international conventions, the following shall be regarded as expenses on condition that they are not exaggerated:

- ;
- ;
- the amounts paid for the use of valid patents, brands, designs and models within the overall limit of 2.5% taxable profit before the deduction of expenses claimed. This ceiling shall not apply to the amounts paid to firms not participating directly or indirectly in the management or capital of a Cameroonian firm.

The rest shall remain unchanged.

C- Actual Losses

The following shall be deductible from profits:

..... ;
..... ;

- losses due to damage duly established and validated in the presence of a taxation officer with the rank of at least an inspector, under the conditions specified in the Tax Procedures Manual.

E- Provisions

..... ;

Concerning credit establishments, with the exception of provisions for bad debts whose allocation is optional, the deduction of provisions for bad debts and doubtful commitments shall be effected as follows:

- two years for bad debts and doubtful commitments whose risks are not covered either by collateral securities or State guarantee. In this case, deduction may not exceed 50% of bad debts and commitments per annum;
- three years for bad debts and doubtful commitments whose risks are not covered by collateral securities. In this case, deductions may not exceed:
 - 25 % for the first year,
 - 50 % for the second year,
 - 25 % for the third year.

The situation of these provisions must be definitely determined at the end of the third year of their constitution, with the exception of those which concern bad debts and doubtful commitments brought before law courts.

The rest shall remain unchanged.

VII- OBLIGATIONS OF TAXPAYERS

Section 18: (1) Concerning the assessment of the present tax, taxpayers are expected to file a tax return for income earned from their business venture during the period serving as tax base on or before March 15. Such return must be presented in conformity with the OHADA accounting system.

(2)

(3)

(4) Firms falling under a dispensational or special tax system shall, within the same period, file a summary declaration of transactions for which they benefitted from exemption, coverage of expenditure, a tax reduction or other tax relief measure, including taxes and levies corresponding to the said transactions.

(5) Firms shall, within the same period, submit a summary of all the stock movements of the financial year concerned, together with the software used in managing the said stock. Concerning computerized accounting, the summary of inventory movements should be produced in dematerialized form.

(6) Corporate bodies which do not opt for corporate tax or which are exempted from it shall also be bound by these obligations.

IX- PAYMENT

Section 21: (1) The corporate tax shall be paid on the initiative of the taxpayer no later than the 15th of the following month as follows:

- ;

However, firms subject to the direct tax system in regulated profit margin sectors whose turnover is used to calculate corporate tax instalment shall be determined in keeping with special conditions.

Under this section, sectors with regulated profit margins shall be pump petroleum product and flour milling distribution sectors.

The following methods shall be used to determine the turnover used as the basis for calculating the corporate tax instalment of firms practising the regulated prices referred to above:

- for firms in the pump petroleum product as well as flour milling distribution sectors, the turnover shall consists of the gross profit, including all kinds of gratuities and commissions received;
- for production firms in the flour milling sector, the turnover shall be the total amount of produce sold, after a 50% rebate.

The tax authority shall, as and when necessary, control and verify the margins practiced.

For taxpayers subject to the simplified tax system, one instalment representing 5% of the turnover realized during each month shall be paid no later than the 15th of the following month. Such instalments shall be increased by 10% as levy for additional council tax;

(2)

The instalment referred to above shall be deducted at source during settlement of bills for the purchase of timber.

For Logging companies that are not holders of a taxpayer's card, it shall be raised to 10%.

.....

(3) The following transactions shall be subject to advance payment:

.....

The advance payment rate shall be fixed at:

- 15% of the amount of transactions, for taxpayers not registered with a taxation centre and engaged in import activities. The rate shall be increased to 20% where the taxpayer carries out the sale of in-bond goods;
- 10% of the amount of transactions, for taxpayers not registered with a taxation centre;
- 10% of the amount of transactions, for taxpayers subject to the flat rate tax system and engaged in import activities;
- 5% of the amount of transactions carried out, for traders subject to the simplified tax system;
- 5% of the amount of transactions, for taxpayers subject to the flat rate tax system;
- 2% of the amount of transactions, for traders subject to the actual earnings tax system;
- 0.5% for petroleum products purchase transactions by filling station operators.

The advance payment basis for imports shall be the customs valuation of goods. Deduction shall be levied as follows:

-
- in the other cases, by the supplier or buyer of in-bond goods must make such advance payment within the first fifteen (15) days of the month following that in which the transaction was carried out.

X – OBLIGATIONS OF TAXPAYERS

Section 22: (1) For the payment of the taxes collected, industrialists, importers, wholesalers, semi-wholesalers and forestry companies must:

- ;

- ;
- ;
- ;

(2) The amount of tax owed by each company or council shall not be less than the tax resulting from the application of the 2 % rate to the reference base as defined in Section 23 below.

.....

Regarding taxpayers subject to the simplified tax system, however, this rate shall be increased to 5%.

Section 23: The reference base for calculating the minimum tax shall represent the overall turnover for the previous financial year.

.....

For enterprises engaged in the regulated profit margin activities defined in Section 21 above, the turnover used as basis for calculating company tax instalment shall be the gross profit margin, gratuities and commissions of any nature received.

BOOK TWO
MANUAL OF TAX PROCEDURES
SUB-PART I
BASIS OF ASSESSMENT
ONE CHAPTER
OBLIGATIONS OF TAXPAYERS
I - OBLIGATION TO FILE RETURNS
(i) GENERAL PRINCIPLE

Section M. 1: Any natural or legal person liable, as a statutory or actual taxpayer, to payment of a tax, duty or levy or an instalment thereof, by virtue of the provisions of the General Tax Code, must file an application for registration with the competent tax authority of his area, within 15 (fifteen) working days following the start of his activities, and attach to such application a site plan.

.....
.....

After the completion of the registration procedure, the Tax authority shall issue a taxpayer's card free of charge to the taxpayer. The validity of the taxpayer's card shall be 10 (ten) years.

The rest shall remain unchanged.

III - OBLIGATION TO PAY TAXES

Section M. 7(c): Agreements and specifications may not contain tax provisions, except under conditions specified by the laws and regulations to institute duly established special tax regimes.

Section M. 8: (1) Receipts shall be issued for all payments. Such receipts shall be exempted from stamp duty. A duplicate thereof may be issued to the taxpayer who so requests.

(2) Every tax, duty, fee or levy payment made by bank transfer must bear clear indications of the taxpayer's identity and type of tax and fee for which payment is made.

For every payment of a tax, fee, duty or levy by bank transfer, the financial institution shall issue a transfer certificate specifying the tax concerned. In case of transfer for several taxes, duties, fees or levies, the transfer certificate must be accompanied by a summary statement of the payments by type of tax, duty, fee or levy paid, and bear the official stamp of the financial institution.

Upon producing the transfer certificate, together with the summary statement, a payment receipt shall automatically be issued to the taxpayer at the time of filing his returns.

The date indicated on the transfer certificate shall be deemed to be the date of payment. Transfer certificates which lead to entry of the corresponding amounts in the Public Treasury account beyond the deadline for payment of the tax or which turn out to be unsuccessful, shall trigger the application of the penalties and default interests provided for under Section M. 106 of this Code.

The taxpayer and the financial institution shall be jointly liable for payments made in the abovementioned conditions resulting in the issuance of a receipt by the tax authority and shall be liable to the same penalties in case of default.

Section M. 8(c): Damage shall be established and ascertained as follows:

- the taxpayer shall submit an application to his tax office;
- the damage shall be established and ascertained within 15 (fifteen) days following the date the application is submitted;
- a report shall be drawn up and signed by all the parties. The taxpayer's refusal to sign shall be indicated in the report.

**SUB-PART II
TAX CONTROL
CHAPTER I
RIGHT TO CONTROL
III - CONDITIONS OF EXERCISING
THE RIGHT TO CONTROL
(i) SPOT CHECKS**

Section M. 20 (a): Tax adjustments shall fall within the exclusive competence of the tax authority. Any other public body for the control of financial and social accounts other than the tax authority, which, during its control missions, finds tax law offences must automatically inform the tax authorities. The tax authorities shall immediately undertake a tax control operation under the conditions laid down by the General Tax Code.

(iii) REQUESTS FOR CLARIFICATIONS AND JUSTIFICATIONS

Section M. 22 (a): During tax control operations, the establishment of failure to produce supporting documents on the report during a spot intervention shall lead to absolute inadmissibility of the said documents at the litigation phase.

**IV - ADJUSTMENT PROCEDURES
(i) ADVERSARIAL ADJUSTMENT PROCEDURE**

Section M. 25: In case of adjustments made within the framework of a limited audit or a spot check or control of documents, the administration shall serve the taxpayer an adjustment notice stating the reasons and amounts concerned, and giving the taxpayer a response deadline of 30 (thirty) working days, with effect from receipt of the notice.

I. RIGHT TO INVESTIGATE

Section M. 49: unchanged.

Section M. 50: unchanged.

Section M. 50 (a): unchanged.

II. RIGHT TO RECOGNIZE STOCKS

Section M. 50 (c): (1) Tax officers shall conduct unannounced operations to physically recognize stocks of one or several products under the non-prescribed period.

During the first intervention in the stock recognition procedure, a notice shall be served the taxpayer or his representative.

(2) During the operations referred to in Subsection (1) above, the taxpayer shall, upon request, provide the tax officers with electronic copies of the statement of stock movements for the abovementioned periods and give them access to the stock processing and tracking software.

(3) In any case, the taxpayer or his representative has the obligation to provide tax officers of at least the rank of tax inspector with copies of all documents or digital material related to stock management, in particular:

- delivery (or reception or entry) notes of materials, goods, products, in which the characteristics, date of entry of stocks, quantities and unit prices are specified by type of item;
- exit (or removal) notes of materials, goods, products, in which the characteristics, date of exit, quantities removed and unit prices are specified by type of item;
- stock information sheets, if any, after each entry, at the end of the period or on a first-in-first-out (FIFO) basis;
- stock processing and tracking software.

(4) Within 30 (thirty) days following the end of the stock recognition procedure, a report indicating the existing stocks, any failings observed or absence of such failings shall be drawn up. An adversarial statement of stock findings shall be attached to the report.

The report shall be signed by the officers who took part in the operation and by the taxpayer. Refusal on his part to sign shall be entered in the report.

(5) The stock recognition procedure cannot in itself give rise to a notice of adjustment.

(6) Penalties for stock recognition are the same as those for the right to investigate.
